Public Comments

Please note: Members of the public are limited to two minutes. The Senate cannot take action or respond to items during public comments.

- John Cognetta: This weekend is the retreat. It has been changed from Saturday to Friday. For anyone to go, you have to sign a waiver form. If you don’t sign a waiver form, you’re not allowed to go. Jonathan Mai has the form for you.
- Gloria Heistein: Wants to thank the Senate for the first vote and the additional allocation to CCP. Asked former participants to share their experiences with the program.
- Shane Mason: It’s good to see everyone here and he misses De Anza.

Burning Issues

Please note: Be mindful in your language, please be open and encouraging to solutions to issues presented.

- Keith Hubbard: The telephones do not seem to work. Finals are coming up and thinks we’ve come to a point where we have to settle our differences and move on past arguments. It’s time to move forward and focus on the things we promised in the elections.
- Scarlett Kim: There is a rumor going around that she was attacked by a guy in the DASB office. She was not and is safe. Also saw a non-senate member in the office using the office with no Senator in the office.
- John Yan: Got an agent application in his mailbox. Just wants to let the applicant know that Marketing and communications is full.
- Wayne Spalding: Would appreciate if a minute of his time were really just a minute of his time and not the lengthy conversations he keeps getting drawn into.

- Jonathan Mai: We need to rescind the motion on the retreat.
- Bobo Teo: There's a beautiful woman who did not tell us it was her birthday today. Happy birthday Thomasina.
