

## **Notable Environmental Service Firms With Offices In the Bay Area**

Contained within are two separate tables listing:

- 15 large environmental service firms headquartered in California with offices in the Bay Area.
- 6 smaller environmental service firms headquartered here in the Bay Area.

The large firms were identified from an international ranking of the top 200 environmental service firms (based on their 2017 gross revenues from environmental services) as identified by the industry publication *Engineering News-Record*.

(Source: <https://www.enr.com/toplists/2018-Top-200-Environmental-Firms-1> )

The smaller firms were identified based on previous listings of environmental service firms in the Silicon Valley Business Times.
