## *A Special Thank You to Homestead High School*

Thank you to Homestead High School for hosting De Anza College as we undergo bond-funded renovation of our own stadium. Thank you to the community for your support of our 2006 Measure C bond.

## *De Anza College Overview*

De Anza College offers a broad range of academic and career programs, cultural activities, sports and social events to about 24,000 students each quarter. Students can earn associate degrees in 64 fields of study and 109 certificates of achievement. About 40,000 friends and neighbors participate in De Anza's Community Education programs each year, including noncredit Short Courses and the Extended Year Summer Enrichment Program for youth.

Students attending De Anza enjoy the full college experience. They can join a club or start a new one; walk through time at the California History Center; visit the stars at the Fujitsu Planetarium at De Anza College; explore the diversified ecosystems of the Cheeseman Environmental Study Area; exercise in the Lifetime Fitness and Wellness Center between classes; or participate on a sports team – there are plenty to choose from. An education at De Anza isn't just about books and tests; students also discover a diversity of people representing cultures from around the world and learn how to become fully engaged, politically aware citizens. The college's Institute of Community and Civic Engagement (ICCE) helps to advance this goal.

Learning at De Anza College happens in state-of-the-art facilities, many funded through voter-approved Measures E and C. The college is committed to environmental sustainability in building design and operations.

De Anza consistently ranks among the top California community colleges in the number of transfers to CSU and UC. De Anza's top transfer institutions include UC Berkeley, UC Santa Cruz, UC Davis and UC San Diego as well as San José State University and San Francisco State University.

## Special Awards

### DeHart Memorial Scholarship

**William Putra Utomo** is the recipient of this year's \$2,000 A. Robert DeHart Memorial Scholarship for Service. He graduates with a 3.97 GPA and will attend UCLA this fall, majoring in business economics.

Utomo was captain of his high school basketball team in Indonesia, a finalist in astronomy in a school Olympiad and vice president of the student body. At De Anza, he served as De Anza Associated Student Body (DASB) vice chair of finance and head of scholarships, UNICEF De Anza secretary and as an accounting tutor. Utomo's community service included working for Habitat for Humanity, JCPenney Back-to-School program and the West Valley Community Services Food Pantry. His career interest is in becoming a stock analyst.

The annual scholarship is presented in memory of A. Robert DeHart, founding president of De Anza College. It is awarded to a graduate who exemplifies service and participates in campus life relating to his or her personal values and goals

### President's Awards

**Rachel Baltazar** will attend Santa Clara University in the fall, where she will major in psychology. After being out of school for more than a decade, surviving an abusive relationship and losing her mother to cancer, Baltazar enrolled at De Anza and persevered through depression and anorexia. She established the Women Empowered Club on campus and became its president. She also was a member and mentor in LEAD (Latina/o Empowerment at De Anza), Psychology Club vice president and secretary, and Women's History Month chair. Her community service included working at St. Joseph's in Pinole and leading charity drives for the Make-a-Wish Foundation. ## Academic Regalia

The academic costume worn today can be traced back to the European universities of the 12<sup>th</sup> and 13<sup>th</sup> centuries, where scholars and clerics wore hoods and robes to stay warm in unheated buildings. Use of the academic gown came to the United States in 1754 with the founding of what is now Columbia University. Until after the Civil War, students at most universities wore caps and gowns daily while in residence.

Academic dress consists of the cap, gown and hood. The mortarboard is a head-hugging cap topped with a square flat surface from which a tassel hangs. Styling of the gown varies according to the degree of the wearer. An associate's degree gown displays the college colors. A bachelor's degree holder wears a simple black gown with long, pointed sleeves. Those with a master's degree wear a more elaborate gown with slit openings in the sleeves. The doctoral gown has bell-shaped sleeves, velvet panels down the front and around the neck, and three velvet bars on each sleeve. In the hoods, the color of the velvet border indicates the type of degree held, while the color of the lining designates the official colors of the institution granting it.

Colors symbolizing academic areas of study are:
