

De Anza College - Cancelled Courses – Spring 2020

In spring 2020, De Anza College cancelled 13 sections with enrollment on April 2, a later date than normal spring terms to be flexible in light of the transition to fully online offerings, allow time for faculty to get training, and also respond to the update of the schedule. Over these dates, 72 unique students were dropped, but by census (4/27/20), 94% (68) of the students who were dropped were still enrolled in other classes, for a loss of 4 total unique students. Tracking the same courses they were dropped from when the course was cancelled, 22% (16) re-enrolled in the same course but a different section.

Table 1. Course Cancellations

Cancellation Date	Cancelled Sections	Cancelled Headcount
4/2/2020	13	72
	Post Cancellation Headcount	% Post Cancellation Headcount
Enrolled by census in other courses	68	94%
Enrolled by census in same course as dropped	16	22%

Methodology: All sections that were dropped on the pre-determined cancellation date(s) or the dates provided for those courses with low enrollment and no longer have any enrollment the following day as of the drop dates were tracked. This report includes only those sections that were cancelled due to low enrollment. Other classes were cancelled over the quarter, but are not included in this report, these reasons may include: cancelled due to covid19, wrong course number, new time/day, no instructor to teach the class, instructor on medical leave, Honors section removed, change of instructional method. Further, in other reports of cancelled sections, a course plus a lab may be counted as two cancelled sections, this report would count that course as only one section, as the same students are enrolled in the lecture and lab sections.

Enrollment for all students who were dropped from a course were tracked to census . Students re-enrolling in the same course were tracked to census but only if they enrolled in the same subject and course number. All cancelled sections by date and the enrollment when cancelled are displayed on the next page.
