Office: S76C

Class Meets: M,T,W,Th,F between 12:30pm-1:30pm

Classroom: MLC 108

Office Hours: Office Hours: Thursday and Fridays between 1:30 PM- 2:30 PM, and Fridays 9:30 AM - 10:30AM, Room: S76C, or by appointment.

Please email me any time at yayligul@fhda.edu , and expect to hear from me within 24 to 36 hours during weekdays.

- Prerequisites:**
- **Math Prerequisite:** Math 114 Intermediate Algebra with grade of C or better; or equivalent placement
 - **English Advisory:** EWRT 211 and READ 211 (or LART 211), or ESL 272 and 273. Although this is a Math course, English reading comprehension and writing are very important in Math 10.

Textbook: Elementary Statistics (Enhanced) 3rd Edition by Navidi & Monk,

ISBN-10: 1259969452

- Materials needed in class:**
- Graphing calculator:
 - Recommended: TI-84, TI-84+, TI-83 or TI-83+ are strongly.
 - You can rent a TI-83+ for \$10 per month from rentacalc.com.
 - Small ruler and stapler, binder.

Evaluation and Grade Break Down:

2 Class Tests	30%	(15% each)
Quizzes	15%	
Homework	15%	
2 Group Projects	15%	
Final Exam	25%	
Extra credit Work: on Smart book	3%	
Extra Credit on Attendance/ Participation	2%	
Total	105%	

A+: (97% - 100%) A: (92% - 96%) A-: (89% - 91%) B+: (87% - 88%) B: (82% - 86%) B-: (79% - 81%) C+: (77% - 78%) C: (69% - 76%) D+: (67% - 68%) D: (62% - 66%) D-: (60% - 61%) F: < 60%

Some important Dates:

Saturday, January 18 th	Last Day to Add.
Sunday, January 19 th	Last day to drop with no grade of record.
Monday, January 20 th	Martin Luther King Day- Campus Closed
Friday Feb 14 th – Monday Feb 17	Presidents Day- Campus Closed
Friday, Feb 28 th	Last day to drop with W.

Homework: Graded homework will be done using ConnectMath .

- You will have regular, required assignments in ConnectMath, and you can expect to spend several hours a week working on them. Additionally, you have access to the adaptive SmartBook.
- This is your graded homework and you will be allowed several, and sometimes unlimited attempts at each chapter assignment for each question.
- If you never open an assignment before it's due date, or do not attempt any of the questions; you will not be able to access that assignment once it's due date is passed. Therefore, I strongly recommend that you attempt each and every assignment with a timely manner.

- You will be allowed to continue working on the assignments after their due dates. Every question that you answer after the due date will have a 10% penalty.

Connect Math info:

- To get started go to <https://www.connectmath.com/>
- Enter your ten digit **Course Code: 6QDWM-DE9ET**
- Verify that you are enrolling to the right course your **Course Name: MATH 10.24-12:30 CLASS**
- You are also provided a Financial Aid Access code to be used within the first two weeks of classes.

Instructions for the student:

Your **Class Code** is: **6QDWM-DE9ET**

Your **Financial Aid Access Code** is: **EED5A-14B97-2C1F2-F2BB0**

The Financial Aid Access Code does not add an additional two weeks to your account.

NOTE: This code gives you temporary access to Connect Math for a two-week period. Once the code expires, you will be locked out of your Connect Math account until you purchase a regular Student Access Code. **It is highly recommended that you purchase the Student Access Code BEFORE the two weeks expire** to prevent interruptions with your Connect Math account.

1. To sign up to Connect Math using the Financial Aid Access Code, go to: <https://www-awn.connectmath.com>
2. Click on the "**Sign up now!**" link located under "NEW USER?"
3. Enter your "**Class Code**" and press "**Continue**".
4. Verify that you are registering for the correct class and click on "**Confirm**."
5. Continue with the registration process until your account has been set up successfully.
6. On the Apply Access page, enter the 20-character Financial Aid Access Code and click "**Continue**."
7. Next you will see a page with the date your temporary access expires, click "**Continue**."
8. You will arrive at the My Classes page.
9. You can extend your Connect Math account at any time by selecting "**Extend access**" from the class tile menu and enter your new access code. **You do NOT need to create a new Connect Math account to continue your class.**

Case Study/Lab Projects:

Lab assignments done in individually or in groups using TI Graphing Calculators.

- Labs are worth 7.5% each. You will have points deducted if you are absent the day that the lab data is collected and worked on in class.
- No lab grades will be dropped.
- Projects must be typed and stapled, placed in a file folder, or scanned into a pdf file and uploaded to the Canvas/emailed as a single file.
- Attachments that are blank or can not be opened will receive a grade of zero.
- No late projects will be accepted.

- Quizzes:** There are several scheduled quizzes throughout the quarter.
- There will be **no** make-up quizzes.
 - Missing a quiz will result in a score of zero.
 - The lowest 10% of your quizzes score will not be counted toward your grade.
 - Quizzes are closed book.

- Midterm Exams:** 2 Midterm Exams will be given.
- Make-up exams will not be given without receiving approval prior to the exam.
 - Exams are closed book.
 - You **must** bring your calculator, ruler and small stapler, and a scantron.
 - You may bring in one 8 ½" x 11" page (one side only) of handwritten notes.
 - If English is a second language, an English translation dictionary.

- Final Exam:** **Final Exam will take place on Wednesday, March 25th between 11:30 am – 1:30pm**
- Comprehensive 2 hour final exam. Closed book.
 - You **must** bring your calculator, small stapler, and a scantron
 - .You may bring in one 8 ½" x 11" page (both sides) of handwritten notes
 - If English is a second language, an English translation dictionary.
 - If you miss the final exam, and do not contact me your final grade in the course will be an F.
 - If your final exam grade is higher than your lowest midterm exam grade, it will be replaced by your lowest midterm exam grade. Therefore, your final exam grade might be counted towards your grade, which means that you are given a chance to improve your grade until the very end of the course.

- Dropping:**
- If you want to drop the class, do so according to the procedure listed in the schedule of classes. Failure to do so may result in a grade of F for the course.
 - Make sure you pay attention to College dates like the last day to drop a course with No Record, the last day to request a P/NP for a course, and the last day to withdraw from a course.
 - See the Schedule of Classes for these dates on DeAnza Website.

- Attendance:**
- Regular attendance at classes is required and is considered essential for successful academic work.
 - Any student who has accumulated the equivalent of **4** absences will be dropped from the class. It is **your responsibility** to drop the class by the appropriate due date. You assume full responsibility for work missed because of absence. If you must miss a class, it is your responsibility to get notes from another student.
 - Attendance will be taken at the beginning and end of each class meeting, and arriving to class more than **5** minutes after the class starts, or leaving the class more than **5** minutes before class ends will be counted as half absence .
 - If you miss any class, you are expected to email me (Email etiquette).
 - If you miss the first two weeks of the classes, you will be dropped to make room for the wait list students.
 - Add codes will be given on the second-class meeting.

Tutorial Help: There are two tutorial centers on the De Anza campus. S-43 provides tutoring for Math and Science and L-47 for everything else. Drop-in tutoring is always available. Individual tutoring is also available. You must complete a form, provided by the Tutorial Center, during the first couple weeks of the quarter to obtain one-on-one tutoring.

Testing or other accommodations: If you have a learning or other disability that requires accommodation, please contact either the Educational Diagnostic Center (LCW-110, 408-864-8839) or Disability Student Services (SCS-141, 408-864-8753) to arrange for in-class and/or testing accommodations.

Disability Support Programs: De Anza College makes reasonable accommodations for people with documented disabilities. Please notify Disability Support Programs and Services (DSPS) if you have any physical, psychological or other disabilities, vision, hearing impairments or ADD/ADHD. DSPS is located in ATC-209.

- Phone number: 408-864-8407.
- Website: <https://www.deanza.edu/dsps/>

Academic Integrity: Academic dishonesty will not be tolerated. If a student is found cheating and/or copying on any assignment, test or quiz or violating any other code of academic integrity, he or she will receive a 0 on the assignment and may be reported to the PSME Dean.

Cellphone Etiquette:

- When you come to class, make sure that your cell phone is off, and inside your backpack/purse.
- Students who still are engaged with their cellphones (for any reason) or keeping their cellphones on their desks (for any reason) will be asked to leave the classroom.

Email Etiquette: I expect proper e-mails. As you move towards your professional life, it is important to have a professional approach to e-mails.

A proper email exchange:

- Email is sent from a respectable e-mail address with your name in it.
- Email includes class in subject line and name in text
- Send a response e-mail after you receive your answer.

Expectations and How to be successful in the course:

- I expect students to arrive to class by the start of class and stay the entire period. It is not appropriate to arrive late and/or leave early on a regular basis. If work, classes, or other events are creating such a conflict, please make other arrangements. I expect you to e-mail me if you will miss any classes (see Email etiquette)
 - Do all the assigned homework, focusing more on the ones you struggle with.
 - Please don't wait until you are drowning to ask for help.
 - Please stop by my office during my office hours, or make an appointment with me at a different time, or send me an email with your questions.
 - Ask for help with anything you don't completely understand, even if you got the right answer.
 - De Anza College has several resources and accommodations for student success, get to know them and make use of the services, they are all for you.
 - Have fun.
 - Ask questions, asking questions is a crucial part of learning process.
 - Pay attention.
 - Stay focused.
 - Get frustrated, and then unfrustrated.
 - Discuss problems with your classmates, get into study groups.
- Spend at least 2 hours on your course per day, study on daily basis, don't leave it all the last minute.
- Have more fun!

Student Learning Outcome(s):

*Organize, analyze, and utilize appropriate methods to draw conclusions based on sample data by constructing and/or evaluating tables, graphs, and numerical measures of characteristics of data.

*Identify, evaluate, interpret and describe data distributions through the study of sampling distributions and probability theory.

*Collect data, interpret, compose and defend conjectures, and communicate the results of random data using statistical analyses such as interval and point estimates, hypothesis tests, and regression analysis.
